All Beauty College is committed to providing students with a safe environment in which to learn and to keep parents and students well-informed about campus security. In accordance with the Crime Awareness and Campus Security Act of 1990, the institution collects campus crime statistics and prepares a report for distribution to all students, employees and applicants for enrollment or employment.

It is hoped that the institution's comprehensive policy will help combat violence in the workplace and on campus while dealing with security procedures and practices. We encourage the campus community to look out for themselves and one another

The Annual Security Report will be available online as well as distributed to students and employees every year by October 1st. All Beauty College will collect, classify, and count crime statistics, issue campus alerts, provide educational programs and campaigns to promote awareness, publish the Annual Security Report and report statistics to all students, employees, and Department of Education.

Prevention of Crimes

Emergency response and evacuation procedures are posted on every door in each campus. If you have any questions concerning evacuation, please see the school administrator. These procedures will be used to notify students and staff of a dangerous situation on the school campus. Every instructor and senior staff member has access to the school intercom system and has received training on how to handle a pending emergency.

The director or person in authority will notify the police who will notify the neighboring community of the impending danger.

Emergency Notification will be issued upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus.

SCHEDULE A

ALCOHOL USES AND EFFECTS

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risks than other youngsters of becoming alcoholics themselves.

Reporting of Clery Crimes

Making Timely Reports

All Beauty College will issue a timely warning for all Clery Act crimes that occur on All Beauty College's Clery Act geography that meet the following:

- Reported to campus security authorities or local police agencies
- Considered by All Beauty College to represent a serious or continuing threat to students and employees.

The requirement for timely warnings is not limited to violent crimes or crimes against persons. Timely warnings could be needed for crimes that represent threats to property. This timely warning policy is not limited to certain types of Clery Act crimes and it may include non-Clery Act crimes. That is, although the Clery Act mandates timely warnings only for Clery Act crimes, nothing in the law prohibits timely warnings for other crimes that may pose a serious or continuing threat to the campus community (e.g., a kidnapping on campus or a rash of robberies in a public parking lot across the street from the shopping plaza where the school is located).

All Beauty College is not required to provide a timely warning for non-Clery Act crimes or for crimes reported to a pastoral or professional counselor. There are no other exemptions.

Voluntary Reporting

Victims or witnesses are encouraged to report crimes on a voluntary, confidential basis for inclusion in the annual security report. Reports can be made directly to approved Campus Security Authorities or to the local police Department. All Beauty College encourages accurate and prompt reporting of all crimes to appropriate law enforcement agencies. Persons reporting criminal incidents should provide as much information as available. If possible, this should include the location, nature of injuries, the description of possible criminals, and briefly what happened.

Accurate Reporting

All Beauty College encourages accurate and prompt reporting of all crimes to Administration and the appropriate police agencies, when the victim of a crime elects to, or is unable to, make such report.

Preparing statistics

The Annual Security Report will be available online as well as distributed to students and employees every year by October 1st. All Beauty College will collect statistics from our school crime log as well as request the statistics report from local law enforcement. The Clery Act requires all institutions to collect crime reports from a variety of individuals and organizations that are “campus security authorities” under the law.

Under the Clery Act, a crime is “reported” when it is brought to the attention of a campus security authority or local law enforcement personnel by a victim, witness, other third party or even the offender. It doesn’t matter whether the individuals involved in the crime, or reporting the crime, are associated with All Beauty College. If a campus security authority receives a report, he or she must include it as a crime report according to All Beauty College procedures. All Beauty College must include statistics based on reports of alleged criminal incidents. It is not necessary for the crime to have been investigated by the police or a security authority, nor must a finding of guilt or responsibility be made to include the reported crime in All Beauty College’s crime statistics.

The Annual Campus Safety and Security report is prepared in the Administrative offices and is published on All Beauty College’s website and Prestige.

Who to Report To

Individuals who wish to report an incident or complaint under this policy may do so by reporting it to the Administrative Office. Complaints may be filed in person, electronically or by phone. Sexual violence, sexual assault (including but not limited to domestic or dating violence), and stalking should also be reported to the Provo City Police Department. All Beauty College officials will aid with a victim to notify law enforcement or respect if they opt to decline notification. All Beauty College will comply with a student’s request in notifying authorities.

Steps for filing a police report

1. Call 911. Request to speak with someone who is trained in sexual assault cases. Ask for privacy as you may be asked sensitive questions. Your first report may take several hours, ask for breaks as you find you need.
2. Preserve Evidence: Get a sexual assault forensic exam. If you find yourself in a hospital being treated for assault-related injuries, explain that you have been assaulted and want to report the crime. A sexual assault forensic exam, sometimes called a "rape kit," will help protect your health, prevent pregnancy and STIs, and provide crucial evidence if you choose to go to court it may be helpful in obtaining a protection order. You can skip any step of the exam that you choose. Do not shower. After you have been assaulted, avoid bathing, using the restroom, combing your hair, or changing your clothes. If you do change your clothes, place them in a paper bag and bring them to the health center.
3. It may take more than one interview with your assigned investigator

An individual who is considering making a criminal complaint should seek medical care as soon as possible after an assault. When a student or employee reports to the All Beauty College that the student or employee has been a victim of dating violence, domestic violence, sexual assault, or stalking; whether the offense occurred on or off campus All Beauty College will provide the student or employee with written documentation of their rights and options. This documentation is prepared, standardized and a written set of materials including detailed information regarding victims' rights and options.
